

Servicing made easy

The Vauxhall MasterFit Service Plan

Our service plans are designed to offer worry free motoring. It's an easy way to budget for your regular servicing needs over your chosen period of time, allowing you to spread the cost of regular servicing through simple monthly installments, just like household bills.

Pricing

We've made our pricing simple with just one price to pay on the vast majority of Vauxhall vehicles. The only decision you need to make is the level of service you wish to choose.

Service Plans available

Our service plans are available for both new or used car buyers and existing Vauxhall owners:**

New cars

Our service plans will cover your first 3 services.

Used cars

Vauxhall service schedules require certain items to be replaced only every second year. Our service plans are therefore for either 2 or 4 services. This means that regardless of whether you need the more comprehensive service first or not, there will be just one price to pay.

All plans are based on an annual/20,000 mile service schedule. If you are likely to require more frequent service intervals, a bespoke price can be determined.

Plans are also transferable should you decide to sell your vehicle before the end of your service plan.

What's covered

All items covered by the standard maintenance schedule for your vehicle, enabling your service book to be stamped. We will also inform you of any other safety or advisory items which we notice. You are under no obligation to have these items rectified, but we will supply you with an all inclusive quote should you wish to.

What's not covered

Wear and tear items, such as brakes, tyres and exhausts, plus additional advisory items such as cambelts.

Exclusive additional discounts

As a Service Plan customer you will also be entitled to additional discounts on other service repair work, accessories. The table below shows the level of parts and labour discount you can enjoy, depending on the age of your car – making Vauxhall MasterFit and Service Plans even greater value for money.

Age of Car	Parts Discount	Labour discount
